

Driving/Parking/Walking

NOTE: The street address for UHealth is for the whole complex and there are no signs on the exterior that label the Conference Center, so please look carefully at the maps and the white stars in the photos to more easily find the entrance.

The entrance to the Conference Center is represented by the white star in the photos above.

DRIVING DIRECTIONS TO THE HYATT

Hyatt Regency Aurora-Denver, 13200 East 14th Place, Aurora, CO, 80011

The Hyatt is our recommended hotel. It is also the location of the pre-Conference Workshops.

If you are traveling west on E. Colfax:

It is least confusing to take a left at the light at Ursula St (named Aurora Ct on the right). On Ursula, take the second left onto 14th Pl. (Note: The first left is 14th Ave.) Continue the short distance to the Hyatt.

If you are traveling east on E. Colfax:

Turn right on Ursula St at the light, then take the second left onto 14 Pl. (Note: The first left is 14th Ave.) Continue the short distance to the Hyatt. Alternately, you can pass Ursula St, then take the next right just past the overhead skywalk and Panera's. The entrance sign says Fitzsimons Village. The Hyatt will be straight ahead.

RETURN-TO-AIRPORT TRANSPORTATION

If you will be taking an Uber or other transportation service back to the airport at the end of the Conference, it is highly recommended that you return to your hotel for pick-up or go to the nearby Panera restaurant. Drivers have a VERY difficult time finding you if you use UCHealth's address and many do not speak fluent English so it is difficult to provide them with verbal directions.

Pick-up addresses:

Hyatt Regency Aurora/Denver: 13200 East 14th Place, Aurora, CO 80011

Springhill Suites: 13400 East Colfax Ave, Aurora, CO 80011

Panera Restaurant: 13100 East Colfax Ave, Aurora, CO 80011

UCHealth (if you want to try despite the warning): 12605 East 16th Ave, Aurora, CO 80045. Have them meet you at the main entrance to Anschutz Inpatient Pavilion 2, rather than near the Conference Center entrance because it is not marked.
