

KTC STUDENT AGREEMENT

Online Courses

The following agreement is made between the Online Course registrant (hereafter “the student”) and Klose Training & Consulting, LLC (hereafter KTC).

Scope of Practice

It is the responsibility of the student – not Klose Training – to ensure that the skills acquired through any Klose Training course are within their scope of practice as defined by their licensing board. Any therapist who practices outside their scope of practice is jeopardizing the health of their client/patient and is at risk of losing their license.

Course Materials and Access

Upon registration and payment of the course fee, you will be emailed the Student Agreement (below) within 3 business days. Once the Agreement is electronically signed by you and emailed back to Klose Training, a username and password for accessing the online course will be emailed to you within 3 business days. You will have 3 MONTHS of access to the online course from the time the access information is **delivered**. Course materials can be printed ONE time and then must be deleted from the student’s computer.

Online Quiz

In order to receive a Certificate of Completion, you must be a licensed health care professional and successfully complete the online quiz at the end of the course by answering 80% or more of the questions correctly.

Tuition & Refund Policy

Course tuition is specific to the course. (Refer to the KTC website.) The full amount is due at the time of registration. If the student cancels **prior** to the course access information being emailed, the student will be refunded the tuition by check within 10 business days, minus a nonrefundable administrative charge of \$50.00. No refunds will be given after a username and password have been emailed to the student.

Certificate of Completion

Once a licensed professional health care provider has successfully completed the quiz and signed and returned to KTC the Course Evaluation Form, Tracking Log, and Student Information Form, that student will be emailed a Certificate of Completion. (Non-professionals are not eligible for a certificate.)

Continuing Education Credit

KTC’s online courses have been approved for CEUs for Physical, Occupational, and Massage Therapists by the organizations and states listed here: klosetraining.com/course/ceu-approvals/. See the course description pages on the KTC website for the contact hours associated with each online course.
