***By registering for the Klose Lymphedema Conference, you acknowledge that you have read and agree to the following:***

### **Cancellation Policy**

Cancellations received in writing (by mail or email) no later than April 2, 2019 will receive a refund of tuition by check minus a \$100 handling fee. ### **Continuing Education Approvals**

Any therapist not covered by the approvals below should consult with their state board to check the procedure for obtaining CEU's in their state for events not pre-approved. Your state may have reciprocity agreements with the listed states, or there may be an application you can submit to your board to request approval for CEUs before or after the Conference.

**Occupational Therapists:** Klose Training has been approved as a provider of continuing education by the AOTA (which is recognized in most, but not all, states).

**Physical Therapists:** Klose Training has been approved as a provider of continuing education by the **New York** State Board of Physical Therapy, and the Department of Financial and Professional Regulation in **Illinois**. PTs licensed in **Colorado** are eligible for Category II CEU's.

**Massage Therapists:** Klose Training has been approved as a provider of continuing education by the NCBTMB (which is recognized in most, but not all, states) but Klose Training will NOT be seeking approval for the Klose Lymphedema Conference.

### **Consent**

By registering for the Klose Lymphedema Conference, you understand that you may appear in photographs, videos, or electronic recordings taken during the Conference and that Klose Training may use these in future Klose Training publications, advertising, or productions and that you will receive no monetary or other compensation. Your last name will only be used with your express permission.
