REFUND POLICY

Cancellations received in writing (by mail or email) no later than April 2, 2019 will receive a refund of tuition by check minus a \$100 handling fee. There will be no refunds for cancellations after that date or for no-shows. Cancellation notice must be emailed to Laura@klosetraining.com or mailed to Klose Training, 307 S Public Road, Lafayette, CO, 80026.

CONSENT TO BE PHOTOGRAPHED

By registering for the Klose Lymphedema Conference, you understand that you may appear in photographs, videos, or electronic recordings taken during the Conference and that Klose Training may use these in future Klose Training publications, advertising, or productions and that you will receive no monetary or other compensation. Your last name will be used only with your express permission.

CEUs

If you are licensed in a state not listed below, contact your state board to ask if individual therapists can apply for CEU approval and if so, what the application procedure is. Some states may require you to apply for approval *prior* to the Conference. Klose Training is happy to provide any information required by the application.

Occupational Therapists: Klose Training is approved by the AOTA as a provider of continuing education. This approval is honored in most, but not all, states.

Physical Therapists: Klose Training is an approved provider in New York State and Illinois. Colorado PTs are eligible for Category II CEU's.
